

HOCKEY TEAM GUIDELINES

The following guidelines have been developed by the Minnesota Hotel & Lodging Association and the Minnesota Hockey Association. We would appreciate it if you would inform you group of the following.

To help ensure that your stay will be safe and enjoyable for both your group and other guests, we ask that you adhere to the following guidelines. Noncompliance may result in one or more of your group being asked to leave. We thank you for your cooperation.

1. "Quiet Time" for our hotel is 11:00PM to 7:00AM.
2. A curfew has been set for 10:00pm for all persons under the age of 18.
3. If your team is traveling without parents, one (1) chaperon, parent, or registered guest is required for every 5 rooms and will be placed next to the group.
4. If your team is checking in room by room, the person registering the rooms will be responsible for their individual rooms and occupants. All children must be directly supervised at all times.
5. In order for the chaperon to be effective, she/he must be on the hotel premises with the group. There will be no adult consumption in the hallways or other public areas.
6. The chaperon/parent is responsible for the actions of the group/children, which includes payment of any damages incurred during your stay. Inappropriate behavior that is not corrected will result in parties being asked to leave the hotel without a refund.
7. Adult supervision is required, in the pool area, for any children using this area.
8. Only registered guests are allowed in the rooms and may have use of the facility.
9. Our guest rooms are not meant for parties. Anyone using a guest room as a party room may be asked to leave.
10. In the past, we have experienced damages from "playing hockey" in the hallways and public areas. Therefore, we do not allow hockey sticks of any size in the motel. If you have concerns about leaving the sticks in your vehicles, we will be happy to store them for you.
11. Please do not sharpen skates in the guest rooms.
12. If we are required to compensate other guests due to disturbances caused by your hockey team/children, we will bill you to cover these costs.

We appreciate your attention to these guidelines and look forward to a pleasant stay for both your group and all our other guests.
